Subject: Objection to these changes
Date: Tuesday, 06 July 2021 06:52:44

CYBER SECURITY WARNING: This email is from an external source - be careful of attachments and links. If in doubt contact the ICT Service Desk via the YourICT icon on your desktop.

I wish to voice my concerns regarding these changes.

People need affordable houses not some buildings where both the developers and council make profit.

Not only are you developing a computing problem your losing green belt land and destroying wild life and there habitat not to mention the idyllic area..

This madness needs to stop and you need to put people first before profit and destruction of a beautiful area.

Yours sincerely
Mr C J Trainor
